ORDER

Reference:- 1. Building Permission Authority Decision Dated 07.01.2019.
2. Resolution passed by General House Meeting held on 17th & 18th of July 2019.

Having regard to above quoted references and resolution, it is hereby ordered to observe following in the subsequent meetings of BOCA, while considering application for building permission of upper floors where existing floor construction is in violation of building norms:-

- i. Building permission could be granted in such cases where existing construction is in violation of building norms and applicant wants to construct upper floors for residential purposes. Such cases shall be charged for the portion which was not approved by the competent authority, but within the building norms @ Rs. 20/- per sft. for residential building and Rs. 200/- per sft. for commercial building. Besides, this before undertaking construction over the existing ground floor, the applicant shall submit an affidavit in the shape of undertaking to be attested by the 1st Class Judicial Magistrate that he shall remove/dis-mantle the existing construction raised by him in violation before undertaking new construction.
- ii. The minimum width of 10 feet for granting building permission in Ward no. 1 to 11 and Ward no. 15 of old city shall not be insisted upon in residential building permissions.
- iii. The repair of structures in the old city i.e. Ward No. 1 to 11 and Ward No. 15 in form of retrofitting, change of old roof and change of rolling shutters can be considered in BOCA without changing the height, elevation, existing coverage and F.A.R after charging requisite fee.

Government of Jammu & Kashmir
Jammu Municipal Corporation
Town Hall, Jammu

- iv. The above decisions are purely an interim arrangement and in no way shall be considered as regularization, which can be done only under the rules/policy laid down by the Government.
- v. The cases under litigation shall not be considered under above norms.

Subject:- Charging of commercial fee for basement.

- Ref:-
- i. Dev. Commissioner, Town Planning Org. Jammu's letter No.DCTP/BOCA/2007-08/2235 dated 27-03-2008.
 - ii. Applications of S/Sh. Raju Chowdhary, Sanjay Mahajan and Ankur Mahajan.

Sir,

The matter regarding charging of commercial fee for basement of Shopping/Commercial Complexes was discussed in thread-bare manner with the various Officers of the Municipal Corporations and Town Planning Organizations of the State in the Office Chambers of the Commissioner/ Secretary, Housing and Urban Dev. Department on 08-05-2008 and it was decided in the meeting that there should not be total exemption of building fee on the basement parking, but BOCA could charge at a lower rate viz. Rs. 5/- (Rupees five only) per Sft. for the basement parking while, for the rest of the building, the fee will be charged on the basis of the commercial rate.

I am accordingly directed to convey the decision of the Government to the charging of Rs. 5/- (Rupees five only) per Sft. for the basement parking of Shopping/Commercial complexes. However, while charging the concessional rate for basement parking, it should be ensured that the owners do not convert such basement parking for any other use. For this purpose an undertaking should be taken from the owner that under no circumstances the facility should be used for any other purpose and the same should be monitored on regular basis by the field agencies to ensure that basement parking is used for the purpose it has been kept in the building plan.

The applications under reference should be disposed off accordingly.

Yours faithfully,

Deputy Secretary to Government
Housing and Urban Dev. Department
