

Government of Jammu and Kashmir
Housing & Urban Development Department

Subject: - NA 2 declaration regarding Utility Permit under BRAP-2024 recommended by DPIIT, Gol

In reference to the Business Reform Action Points 2024, Reform No. 324,325,326,328 and 329 under Obtaining Utility Permits - Obtaining sewerage connection, this is to certify that Department of Housing & Urban Development Department has developed the above-mentioned online service with all the mandated features available at URL <https://jansugam.jk.gov.in/>. However, Sewerage Connection facilities are not fully available in many areas yet and work in this regard is in progress. In this online service we received only 12 applications in more than 01 year and according to the DPIIT user guide, services with no applications or fewer than 20 users, and those beyond the control of the State/UT, may be classified as NA2. Considering the justification and present scenario we would request DPIIT to consider this reform as Not Applicable category (NA2)

Reform Details

Area: - Obtaining Utility Permits

Sub Area: - Obtaining sewerage connection

No.: HUD-ADM020/1/2025- 7609988

Dated 22-02-2025
