**Subject:- NA 2 declaration regarding PDD reforms under BRAP-2024 recommended by DPIIT, Gol.**

**TO WHOM IT MAY CONCERN**

In reference to the Business Reform Action Points 2024, Reform No. 316, 317, 318, & amp;319 under Obtaining Utility Permits – Temporary Electricity Connection, this is to certify that Power Development Department has developed the above mentioned online service with all the mandated features. However, Temporary Electricity Connections are not fully available in many areas yet and work in this regard is in progress. In this online service we have not received any applications and according to the DPIIT user guide, services with no applications or fewer than 20 users, and those beyond the control of the State/UT, may be classified as NA2. Considering the justification and present scenario we would request DPIIT to consider this reform is Not Applicable category (NA2)
