CIRCULAR

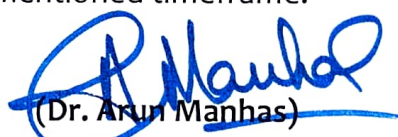

Subject: Extension of time to resubmit Land Allotment Application

In light of sub-clause 7.5 of the J&K Industrial Land Allotment Policy and in furtherance to the decision made by the High-Level Land Allotment Committee-Jammu during its meeting on 22nd July 2024, the cases which were included in the ranking list published following the Committee's meeting on 30th December 2021 but were not allotted land, were reverted by the respective General Managers of the Jammu Division for revision and resubmission via the single window portal.

Several applicants have approached this office requesting an extension of the resubmission deadline once again, citing difficulties in obtaining OTPs generated from their User IDs due to a technical issue, which has now been resolved. Additionally, applicants have expressed challenges in revising their Detailed Project Reports (DPRs) within the limited time frame.

Considering the above and the representations received in this regard, as also the requests made by the Industrial Associations, apart from the telephonic calls made by the applicants, the deadline for resubmission of such reverted applications is hereby extended until the 21st September 2024 (EoD).

Furthermore, any other applicants seeking to modify their land allotment applications may contact the office of concerned General Manager to revise and resubmit their applications within the aforementioned timeframe.
